

"Behold the new 12-inch stroke and SPL champion!"

"THE AUDIOMOBILE MASS 2012 IS THE BEST 12-INCH SUBWOOFER AT ANY PRICE THAT I'VE REVIEWED. IN FACT, IT COULD EVEN BE THE BEST 12-INCHER CURRENTLY ON THE MARKET."

"THE MASS 2012 HAS 19.11 MM OF CLEAN STROKE... THIS TRANSLATES TO 1 1/2 INCHES OF CLEAN TRAVEL... THAT'S THE LONGEST EXCURSION OF ANY 12-INCH SUB I'VE EVER TESTED. IN FACT, THE 2012 HAS THE MOST STROKE OF ANY SPEAKER MEASURED FOR CSR, REGARDLESS OF PISTON DIAMETER. BEAUTIFUL. ...THE MASS 2012 SOUNDS JUST LIKE A GREAT SUBWOOFER SHOULD: DAMN FINE!"

"...THE MASS 2012 IS THE NEW 12-INCH SPL CHAMPION..... 120 dB OR BETTER AT ANY FREQUENCY BETWEEN 10 AND 50 HZ...IN A 1-CUBIC-FOOT ENCLOSURE.

"WOW!"
